---

### **2-1. MEETINGS**

#### **2-1.1. Schedule**

The Chair, in consultation with other members of the Board, shall determine a schedule of dates for regular meeting of the Board for each upcoming calendar year. At least one regular meeting shall be scheduled each calendar quarter. The schedule shall be published as required by Section 2.02 of the Open Meetings Act.

The annual meeting of the Board shall be the first regular meeting held in the calendar year, unless otherwise agreed upon by the Board. Special or emergency meetings may be called by the Chair or by written request of any three members of the Board submitted to the Secretary. The Board will conduct its meetings in accordance with the Open Meetings Act.

#### **2-1.2. Procedure for Meetings**

Robert's Rules of Order shall govern the procedure for all meetings of the Board and its Committees, except to the extent otherwise provided in these Rules or applicable law.

#### **2-1.3. Quorum and Voting**

The presence of six members of the Board shall constitute a quorum for the transaction of business at any properly noticed meeting of the Board. A majority of the members of a duly authorized Committee of the Board shall constitute a quorum for the transaction of business at any meeting of that Committee. A smaller number of members of the Board or of a Committee may meet and adjourn to some other time or until a quorum is obtained; provided, however, that no motion, resolution or other action shall be effective unless a quorum is present.

For purpose of determining quorum, a member of the Board or a Committee of the Board is considered to be present if physically present at a public meeting location of the Board, unless Section 7(e) of the Open Meetings Act (or any successor provision) applies, in which case a member participating by audio or video conference may be considered to be present as and to the extent so permitted by the Open Meetings Act.

Assuming a quorum is present, all actions taken by the Board shall require the affirmative vote of at least five members of the Board, except that the following actions shall require the affirmative vote of at least six trustees: the adoption of actuarial assumptions; the selection of a chief investment officer, fiduciary counsel, or a consultant as defined under Section 1-101.5 of the Pension Code; the adoption of rules for the conduct of election of trustees; and the adoption of asset allocation policies and investment policies. Assuming a quorum is present, all actions taken by a Committee shall require the affirmative vote of a majority of members of that Committee. No final action for which the affirmative vote of at least six Trustees is required may be taken by a Committee.

Votes may be taken by voice vote, except that a vote to close a meeting to the public must be taken by recorded roll call (as required by Section 2(a) of the Open Meetings Act) and except when a recorded roll call vote is otherwise required by law or requested by the Chair or any

other member of the Board or Committee. In the case of a recorded roll call vote, the vote of each member in attendance shall then be recorded in the minutes of the meeting.

#### **2-1.4. Attendance at Meeting by Audio or Video Conference**

Any member of the Board or a Committee may attend any meeting of the Board or a Committee, respectively, whether opened or closed, by video or audio conference if (a) the member is prevented from physically attending the meeting because of (i) personal illness or disability, (ii) employment purposes or the business of FPIF, or (iii) a family or other emergency or (b) otherwise permitted by the Open Meetings Act; provided, however, that such attendance by video or audio conference is permitted by and in compliance with this Chapter and any applicable laws, including the Section 7 of the Open Meetings Act.

A member desiring to attend a meeting of the Board or a Committee by video or audio conference must notify the Secretary prior to the meeting. Such notice should state why the member is unable to attend the meeting in-person. Such notice should be given at least 24 hours before the meeting if possible. The member's request to participate by video or audio conference may be denied.

The Secretary shall notify the Board or Committee of any request received to participate in a meeting by video or audio conference at the start of the meeting. After first establishing that a quorum is physically present at the meeting, the Chair or Secretary shall state the request to the Board or Committee. The request shall be granted if approved by a majority of those members of the Board or Committee who are physically present at the meeting.

A member attending the meeting by video or audio conference must be able to communicate effectively with other members of the Board or Committee who are present. All members attending the meeting must be able to hear all communications at the meeting site. The Secretary and FPIF staff will be responsible for providing equipment adequate to facilitate proper communications at the meeting site.

A member attending the meeting by video or audio conference will be counted as "present" for that meeting, permitted to participate in discussion, and permitted to vote on matters considered during the meeting, as and to the extent that the member could so participate and vote if the member were physically present. The minutes of the meeting shall state that the member participated through video or audio conference.

Notwithstanding the foregoing, if the requirement of the Open Meetings Act that a quorum of members be physically present is waived pursuant to Section 7(e) of the Open Meetings Act, a member may attend a meeting of the Board or a Committee by video or audio conference for reasons other than those enumerated in clauses (i)-(iii) of the first paragraph of Section 2-1.4, no prior notice to the Secretary is required to be given, and no approval by the Board shall be required to permit such attendance. The Board or Committee shall ensure that the meeting otherwise complies with applicable law.
