Section 2-1.4 shall be amended as follows:

2-1.4 Attendance at Meeting by Audio or Video Conference

Any member of the Board or a Committee may attend any meeting of the Board or a Committee, respectively, whether opened or closed, by video or audio conference if (a) the member is prevented from physically attending the meeting because of (i) personal illness or disability, (ii) employment purposes or the business of FPIF, or [another public body](#), (iii) a family or other emergency, or [\(iv\) unexpected childcare obligations or](#) (b) otherwise permitted by the Open Meetings Act; provided, however, that such attendance by video or audio conference is permitted by and in compliance with this Chapter and any applicable laws, including the Section 7 of the Open Meetings Act.

Such notice should state why the member is unable to attend the meeting in-person. Such notice should be given at least 24 hours before the meeting if possible. The member's request to participate by video or audio conference may be denied.

The Secretary shall notify the Board or Committee of any request received to participate in a meeting by video or audio conference at the start of the meeting. The request shall be granted if approved by a majority of those members of the Board or Committee who are physically present at the meeting.

A member attending the meeting by video or audio conference must be able to communicate effectively with other members of the Board or Committee who are present. All members attending the meeting must be able to hear all communications at the meeting site. The minutes of the meeting shall state that the member participated through video or audio conference.

Notwithstanding the foregoing, if the requirement of the Open Meetings Act that a quorum of members be physically present is waived pursuant to Section 7(e) of the Open Meetings Act, a member may attend a meeting of the Board or a Committee by video or audio conference for reasons other than those enumerated in clauses (i)-(iii) of the first paragraph of Section 2-1.4, no prior notice to the Secretary is required to be given, and no approval by the Board shall be required to permit such attendance. Membership of the Legislative Committee shall consist of two members appointed or elected to represent participants or beneficiaries and two members appointed or elected to represent municipalities and fire protection districts.

Any member of a Standing Committee may resign at any time by giving written notice to the Chair and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. A vacancy on any Standing Committee may be filled at the next meeting of the Board in the same manner as the Standing Committee members are appointed at the annual meeting of the Board.

Each Board member may attend any meeting of any Standing Committee and participate in discussions during any such meeting, even if he or she is not a member of that Standing Committee, but only members of the Standing Committee may vote on matters before the Standing Committee.

Each Standing Committee may fix its own rules and procedures, which shall not be inconsistent with these by-laws or applicable law, including the Open Meetings Act. Each Standing Committee shall keep regular minutes of its proceedings and shall report to the Board at the meeting of the Board following the Standing Committee's meeting of all actions taken by or

recommended by the Standing Committee. The chair of each Standing Committee shall be appointed by a majority of the members of the Standing Committee at the first meeting of the Standing Committee after the annual meeting of the Board each year. [If the chair is unable to preside of a meeting of the Standing Committee, another member of the Standing Committee may be designated to act as chair in the chair's absence.](#)

A majority of the members of the Standing Committee shall constitute a quorum. The act of a majority of the Standing Committee members in attendance at a meeting at which a quorum is present shall be the act of the Standing Committee.

The Standing Committees shall meet when necessary. The chair of the Standing Committee may call meetings of the Standing Committee consistent with the requirements of the Open Meetings Act. Position descriptions for all ~~Category 1 Positions~~executive personnel positions described in Section 2-3 will be considered by the Board's Investments and Operations Committee and, upon recommendation of the Investments and Operations Committee, approved by the Board. Position descriptions for all ~~Category 2 Positions~~other positions will be ~~considered and~~ approved by the ~~Investments and Operations Committee~~Executive Director. The Executive Director shall notify the Board of any change to a position description of any non-executive personnel position.

Chapter 6. Procurement

Section 6-3 shall be amended as follows:

6-3 CONTRACTING AND PURCHASING

6-3.1 When Required

6-3.2 Purchase Orders

Employees requesting goods or services that cost more than \$500 and that are not part of a written contract shall (a) complete a FPIF purchase order form and (b) receive written approval from the Executive Director or Procurement Officer (or another FPIF employee with authority to approve the expenditures, pursuant to the last sentence of Section 6-2.2) prior to placing the order.

6-3.3 Contracts

It is the policy of FPIF to standardize the form and content of its contracts with public and private bodies in order to ensure compliance with applicable State law, to ensure fairness to all parties, and to maximize uniformity of language. Contracts shall be written and conform to the requirements of this Chapter. All contracts in excess of \$25,000, and all other contracts when feasible, shall be reviewed by legal counsel prior to execution. All contracts (regardless of amount) shall be signed on behalf of FPIF by the Executive Director, except as provided by separate resolution of the Board. All contracts with persons who are fiduciaries are subject to additional signature requirements described in Section 6-2.3. A copy of each contract shall be retained by the Chief Financial Officer of FPIF.

6-3.4 Standard Addendum for State Law Compliance

In order to simplify the contracting and purchasing process, FPIF shall use a standard addendum that includes certifications considered advisable or required by State law. The standard addendum shall be completed and attached to (or incorporated within) all contracts and purchase orders entered into by FPIF, but shall not be required for purchase orders of \$25,000 or less. Any variation from the terms of the standard addendum shall be approved by FPIF's legal counsel. The standard addendum may be revised upon advice of legal counsel from time to time.

6-3.7 Invoicing and Payment

Invoices should be approved for payment within 30 days after the receipt of the invoice. Approval should not be given for goods and services that do not conform to FPIF's requirements. The vendor shall be promptly notified in writing if FPIF does not approve an invoice for payment and shall be advised of the reason for the denial. If approval is made after 30 days, a full explanation should be attached to the invoice.

6-3.8 Advance Payment

Advance payment for goods and services is discouraged. If advance payment is required, the employee shall complete a certification as specified in Section 9.05 of the State Finance Act (30 ILCS 105/9.05). In the event that a voucher is submitted for advance payment, the voucher shall state on its face that the goods or services are being procured pursuant to a written contract the terms of which require advance payment. If it is not possible to execute a written contract, the voucher shall so state. The certification is not required for payment of [employee benefits](#), conference fees, purchase of travel tickets, purchase of periodicals [monthly subscriptions of less than \\$500](#), and required deposits of less than \$500. The certification shall be in the following format:

"I certify that the goods or services specified on this contract or purchase order were for the use of this agency and that the expenditure for those goods or services was authorized and lawfully incurred; that the goods or services meet all the required standards set forth in the purchase order or contract to which this certification relates; and that the amount shown on this voucher is correct and is approved for payment."

6-3.9 Political Contributions

- (b) Every contract entered by FPIF with a person or entity having contracts with FPIF with an annual value of more than \$50,000 shall provide that such contract is voidable, at the option of FPIF, if the contractor or its affiliated persons or affiliated entities (as defined in Section 50-37 of the Illinois Procurement Code) makes, at any time after the publication of the procurement documents and until expiration or termination of the contract, any Election Contributions to (i) any political committee established to promote the candidacy of the incumbent Governor of Illinois or of any declared candidate for such office or (ii) any political committee established to promote the candidacy (for any public office) of any incumbent member of the FPIF Board of Trustees or of any other person who has declared to be seeking election or appointment to the FPIF Board of Trustees.

Section 6-5 shall be amended as follows:

6-5 INVESTMENT SERVICES

6-5.1 Applicability

This Section 6-5 applies to the selection and appointment of Consultants and Investment Advisers. In establishing this policy, it is FPIF's intention to assure all interested parties that procurement decisions occur in an environment of full disclosure characterized by competitive selection, objective evaluation, and proper documentation. The overriding consideration with respect to all decisions made by FPIF is that the decisions be made solely in the best interests of the participants and beneficiaries of Participating Pension Funds.

6-5.2 General Provisions

- (a) **Investment Adviser Registration.** In order for any Consultant or Investment Adviser to provide Investment Services to FPIF, the firm must either be registered as an investment adviser under the federal Investment Advisers Act of 1940 or be a bank, as defined in the federal Investment Advisers Act of 1940.
- (b) **Competitive Proposals Process.** FPIF shall award all contracts for Investment Services through a competitive proposal process. For this process, FPIF shall develop and use uniform documents for the solicitation, review, and acceptance of all Investment Services pursuant to the requirements of the Pension Code. Documents may vary by specific investment mandate. At a minimum, the documents shall include (i) a description of the goal to be achieved; (ii) the Investment Services to be performed; (iii) the need for the Investment Services; (iv) the qualifications that are necessary; and (v) a plan for post-performance review. If required, these uniform documents shall be published on FPIF's website. The competitive proposal process shall generally follow the following:
 - (i) FPIF shall determine the parameters of the search, upon recommendation by FPIF's investment staff. Opportunities shall be advertised on the FPIF's website and, if appropriate, an industry publication to advertise the procurement. Notice shall be published at least 14 days before the date on which proposals are due. FPIF may issue addenda or other revisions to the request, or cancel the request, at any time.
 - (ii) Uniform documents shall be used for the solicitation, review, and acceptance of Investment Services and will be posted on the FPIF website. Documents may differ based on the specific search mandate.
 - (iii) All interested respondents shall return their responses to FPIF's investment staff, as directed by the proposal document. Staff shall open the responses,

record them, and thoroughly review each for content, quality, and compliance with proposal document requirements. Staff shall compile a list of all respondents to the competitive proposal process. In the selection of an Investment Adviser, FPIF's Consultant may assist FPIF. FPIF may waive or permit corrections, irregularities, informalities, or deficiencies to proposals.

- (iv) Following review and evaluation of the responses from interested firms, the field of candidates is narrowed to a smaller list of the most highly qualified firms. At this point, the Board's investment staff may meet with representatives of each firm to obtain an independent assessment of the firm's capabilities.
- (v) Following the interview with the selected firm(s), the Board's investment staff recommends to the Board one or more Consultants or Investment Advisers for engagement. Generally, the finalists appear before the Board to present their firms' qualifications.
- (vi) Proposal revisions may be requested from one or more respondents at any stage in the process. FPIF may select one or more respondents from whom to select best-and-final responses or revised responses based on additional instructions or criteria established by FPIF. FPIF may also enter into direct negotiations with a preferred respondent.
- (vii) The Board shall accept or modify the recommendation and makes the final decision with respect to the engagement, if satisfied with the firm's capabilities provided that the Board may also reject all responses. FPIF shall post the name(s) of the successful respondent(s) on FPIF's website, along with a disclosure including the total amount applicable to the contract, the total fees paid or to be paid, and a description of the factors that contributed to the selection of the Consultant or Investment Adviser.

(c) **Exceptions to Competitive Procurement Requirements.** A competitive proposal process is not required for the following:

- (i) Individual contracts that (1) do not exceed \$100,000, (2) are nonrenewable, and (3) are one year or less in duration; but only so long as the Board, in its discretion, approves the application of this exemption to that contract (on a contract-by-contract basis).
- (ii) Emergency procurements, including (1) when there exists a threat to public health or public safety, (2) when immediate expenditure is necessary in order to protect against further loss of or damage to property, (3) to prevent or minimize serious disruption in critical FPIF services that affect health, safety, or collection of substantial FPIF revenues, or (4) to ensure the integrity of FPIF records. A written determination must be made that an emergency exists.
- (iii) Sole source items. A written justification must be made that there exists only one feasible source.
- (iv) Procurements specifically exempt from this process pursuant to the Pension Code or other applicable law.

Contracts awarded without a competitive proposal process shall be published on FPIF's website, shall name the person authorizing the procurement, and shall include a brief explanation of the reason for the exception.

- (d) **Posting Contracts Online.** A description of every contract for Investment Services shall be posted prospectively on FPIF's website, including the name of the person or entity awarded the contract, the total amount applicable to the contract, the total fees paid or to be paid under the contract and a disclosure, approved by FPIF, describing the factors that contributed to the selection of the Investment Adviser or Consultant.
- (e) **Contingent Compensation.** No Consultant or Investment Adviser shall retain a person or entity to influence the outcome of an investment decision or the procurement of investment advice or services of FPIF for compensation that is contingent in whole or in part upon the decision or procurement.
- (f) **Other Applicable Laws.** The selection and appointment of Consultants and Investment Advisers for Investment Services by FPIF shall be made and awarded in accordance with the Pension Code, the State Officials and Employees Ethics Act, and all other applicable law. All FPIF trustees and employees shall comply with all gift ban restrictions prescribed in the FPIF Ethics Policy.
- (g) **Communications.** Any written or oral communication received by a Trustee, official, or employee of FPIF who, by the nature of his or her duties, has the authority to participate personally and substantially in the decision to influence the outcome of an investment decision or the selection of an Investment Adviser or Consultant and that imparts or requests material information or makes a material argument regarding potential investment or procurement action by FPIF (other than a clarification about a published solicitation) shall be memorialized by the Trustee, official, or employee and reported to FPIF's ~~chief compliance officer~~Ethics Officer. While a competitive procurement is ongoing, communications shall be restricted in the manner provided in the procurement documents.
- (h) **Conflicts of Interest.** No Board Member, FPIF employee, or FPIF Consultant shall knowingly cause or advise FPIF to engage in an investment transaction with an Investment Adviser when such Board Member, FPIF employee, or FPIF Consultant or any of their spouses (1) has any direct interest in the income, gains or profits of the Investment Adviser through which the investment transaction is made or (2) has a relationship with that Investment Adviser that would result in a pecuniary benefit to the Board Member, FPIF employee or FPIF Consultant or any of their spouses as a result of the investment transaction. With respect to this requirement, Consultant includes an employee or agent of a consulting firm who has greater than 7.5% ownership of the consulting firm.

6-5.3 Selection of Consultant Services

Under the Pension Code, FPIF has authority to select Consultants who shall provide Investment Services to FPIF's commingled fund. The criteria used to determine the minimum qualifications for Consultants with respect to a specific investment mandate include but are not limited to the following factors:

- (a) Registration with the Securities and Exchange Commission under the Investment Advisors Act of 1940, or otherwise qualified under the Pension Code.
- (b) Firm experience advising large defined benefit plans in respect of asset allocation, manager selection and manager oversight and operating under prudent person standards, as well as related investment advisory experience.

Requirements may differ based on the investment mandate recommended by FPIF's investment staff. The establishment of these criteria shall not be used to bar or prevent any qualified Consultant from responding to a competitive proposal process.

6-5.4 Selection of Investment Advisory Services

Under the Pension Code, FPIF has authority to select Investment Advisers who shall provide Investment Services to the Board's commingled fund. The criteria used to determine the minimum qualifications for Investment Advisers with respect to a specific investment mandate include but are not limited to the following factors:

- (a) Registration with the Securities and Exchange Commission under the Investment Advisors Act of 1940, or otherwise qualified under the Pension Code.
- (b) Experience of the firm in the management of institutional portfolios operated under prudent person standards, as well as related investment management experience.
- (c) Qualifications and depth of the professional staff.
- (d) Soundness of the firm's investment philosophy and process.
- (e) The investment record of the firm and the firm's principals in former associations where that record is verifiable.
- (f) The adequacy of the firm's trading, back office, accounting and reporting, and client servicing capabilities; and
- (g) Fees.

Requirements may differ based on the investment mandate recommended by FPIF's investment staff and Consultant. The establishment of these criteria shall not be used to bar or prevent any qualified Investment Adviser from responding to a competitive proposal process.

6-5.5 Emerging Investment Managers

If in any case an Emerging Investment Manager meets criteria established by FPIF and Consultant for a specific competitive search (if a Consultant is utilized), the Emerging Investment Manager shall receive an invitation by FPIF, or FPIF's Investment Policy Committee and/or Emerging Manager Committee, to present the firm(s) for final consideration. In the case where multiple Emerging Investment Managers meet the search criteria, FPIF's investment staff may choose the most qualified firm or firms to present to the Board.

6-5.6 Contract Terms

- (a) **Maximum Term.** FPIF shall not enter into a contract with a Consultant that exceeds five years in duration. No contract to provide consulting services may be renewed or extended. At the end of the term of the contract, the Consultant is eligible to compete for a new contract. FPIF shall not attempt to avoid or contravene this restriction by any means.
- (b) **Other Contract Terms.** Investment Services provided by a Consultant or Investment Adviser shall be rendered pursuant to a written contract between the Consultant and FPIF. The contract must include the following terms, among others:
 - (i) Acknowledgement in writing by the Consultant or Investment Adviser that the firm is a fiduciary with respect to FPIF.
 - (ii) The description of FPIF's investment policy and notice that the policy is subject to change.
 - (iii) Full disclosure of direct and indirect fees, commissions, penalties and other compensation, including reimbursement for expenses, that may be paid by or on behalf of the Consultant or Investment Adviser in connection with the provision of services to FPIF and a requirement that the Consultant or Investment Adviser update the disclosure promptly after a modification of those payments or an additional payment. The disclosures shall include the date and amount of each payment and the name and address of each recipient of a payment.
 - (iv) A requirement that the Consultant or Investment Adviser, in conjunction with FPIF's investment staff, submit periodic written reports, on at least a quarterly basis, for FPIF's review at its regularly scheduled meetings.
