Although this report has been prepared using information believed to be reliable, it may contain information provided by third parties or derived from third party information, and/or information that may have been obtained from, categorized or otherwise reported based upon client direction. The Northern Trust Company does not guarantee the accuracy , timeliness or completeness of any such information. The information included in this report is intended to assist clients with their financial reporting needs, but you must consult with your accountants, auditors and/or legal counsel to ensure your accounting and financial reporting complies with applicable laws, regulations and accounting guidance. The Northern Trust Company and its affiliates shall have no responsibility for the consequences of investment decisions made in reliance on information contained in this report .

Northern Trust records impairment entries pursuant to client direction . Impairment entries recorded to satisfy financial accounting and reporting requirements may not be suitable for tax or for other regulatory reporting purposes. Determining appropriate impairment adjustments is the responsibility of the client.

Unitized fund trades may be using a preliminary or last known NAV price . The settlement NAV of the fund may not yet be known to Northern Trust and is subject to change .
